Police must ok towing of cars on snow routes

Road crews and bylaw enforcement officers cannot legally order cars blocking snow routes to be towed away, although the practice has been carried out in Haliburton County municipalities.

While municipalities can pass bylaws prohibiting parking, standing or stopping on roadways and along snow clearing routes within their jurisdiction, they cannot, under the terms of the Highway Traffic Act, order an offending vehicle to be towed away.

The information is contained in a letter from Sergeant Arnold Besteman of the Minden OPP detachment which has been sent to all municipal councils in Haliburton County.

"As a result of a recent meeting," the sergeant wrote, "the legality of municipal employees having vehicles towed away has been questioned. Section 116 of the Highway Traffic Act is the section that deals with this situation."

"The section allows for the passing of bylaws to regulate parking, standing or stopping on roads within a city, town or village," the letter notes.

Paragraph 5 of Section 116 of the Act, says that "when ever a constable is an officer

Damage is \$2000 in two car crash near Haliburton

Slippery road conditions are blamed for a rear end collision near Haliburton Friday afternoon that resulted in an estimated \$2,000 damage to two vehicles.

Minden OPP say a car driven by Janet A. Mathews, 38 of Tory Hill, was west-bound on Highway 121 west of Haliburton when it was struck from behind by a pickup truck driven by Keith H. Rowden, 26, of RR 1 Haliburton.

According to police a vehicle in front of the Mathews vehicle slowed down to turn off the highway. Mathews also slowed and Rowden, who was following Mathews, braked but slid into the rear of the Mathews vehicle.

Damage to Mathews' 69 car estimated at \$1,000. Damage to Rowden's '76 pickup truck was also estimated at \$1,000.

Mathews sustained minimal injury in the mishap, while Rowden escaped unhurt.

Rowden was charged with failing to ensure that a

Cont'd. page 2

Haliburton volunteer fireman Myles Maughan used an axe to break down the door of the change house at Rotary Beach last Saturday after vandals set fire to the

building. There was little damage in the blaze, which was confined to the floor of the building.

Dance poorly attended, rally's future could be in doubt

Only 18 riders turn up for LKTA rally

Only 18 riders turned up for the second annual Lake Kashagawigamog Tourist Association snowmobile rally Saturday, despite what organizers felt was an extensive

advertising campaign outside the county.

Harvey Williams, president of the LKTA, said more than 100 snowmobile clubs across the province were sent

information about the rally, which carried a first prize of \$100 and a trophy, but that not a single reply was received. In fact, only two entries had been received before the

day of the event. Some 16 other riders paid their entry fee on Saturday however, and took part in the rally.

Participation was greater than last year, when only 10 riders turned up, but the results were still "Disappointing" according to Williams.

The response was generally disappointing from local people, considering the number of riders who were out that day," Williams said. He estimated that there were "hundreds" of snowmobilers riding trails in the county Saturday.

Of the 18 participants, approximately half were local residents, and they swept the first four places in the standings.

First place, along with \$100 and a trophy, went to Jim Hogg of RR 2, Haliburton. Second prize of a trophy and a snowmobile helmet went to Gord Darby of RR 1, Haliburton. In third place was Ken Rosenberg of RR 2, Haliburton. He received a trophy and a case of oil. Dave Dodd Jr. of RR 2, Haliburton also received a case of oil for finishing fourth. In fifth spot was Dave Spiller of Scarborough, who won a voucher from Stedmans.

Those who took part in the rally "said it was great" according to Williams, who attributed the poor response to apathy on the part of snowmobilers.

The LKTA planned the rally on the same weekend as Snowarama in hopes that riders would spend the weekend in the Haliburton area in order to ride in both events.

"It didn't work out that way," Williams said.

The rally was first held in 1972 and 1973 in a different form. It was tried again last

182 snowmobilers make run for crippled children

Best Snowarama so far brings in over \$18,000

Snow fell throughout the day, cutting visibility and blanketing freshly groomed trails, but despite the less than ideal conditions, 182 riders who left Haliburton and Minden managed to go the distance in the annual Whipper Billy Watson Snowarama for crippled children.

Participation was up in this year's Snowarama, and riders in Sunday's local version raised almost \$4,000 more than last year.

Some 146 riders went the distance locally last year, raising \$14,222. The 182 riders who completed the course this year brought in pledges totalling \$18,072.50.

The 100 km. ride is one of 24 events in Ontario this year that will carry the Whipper Billy Watson Snowarama label. It marks the fifth year the fund raising event involving snowmobilers across the province has been held.

The Ontario Society for Crippled Children hopes to raise some \$3 million this year through Snowaramas and its Easter Seal campaign.

Riders left Haliburton Highlands Secondary School and the Minden arena grounds in small groups throughout the morning, stopping to have their pledge cards signed at six check points along the route, which were manned by members of the Haliburton and Minden Rotary Clubs, organizers of the event.

Haliburton and Minden were approximately halfway along the 100 km. route, and many riders stopped for coffee and lunch at one of the two starting points.

Free gasoline was available at each of the starting points, and most riders took advantage of the offer before heading out on the route. Some 500 gallons of gasoline

was donated by Esso for Haliburton, with a like amount donated by Gulf for those who left from Minden. Oil for the machinery was donated by Red X.

A total of \$9,308.75 was pledged by the 75 riders who left from Haliburton. The 107 riders who left from Minden drove the distance for a total of \$8,663.75 in pledges.

Rider with the most pledges from the Haliburton starting point was Jack Courtney of Kitchener. Courtney handed over pledge sheets

worth a total of \$2,212.

Topping the Minden riders was E.G. Stewart from Bolton, with pledges totalling \$1,000.

Top Haliburton rider last year was Peter Curry who brought in a total of \$1,018 in pledges. The top Minden rider in last year's Snowarama was Ted Cowan of Hamilton who rode for \$500 in pledges.

Organizers of this year's event said they were pleased with the participation and the

The trophy for bringing in the most pledges is expected to be presented to Jack Courtney at a meeting of the Haliburton Rotary Club within the next few weeks.

Trails had been groomed all day Saturday by members of the Haliburton County Snowmobile Association in preparation for the ride, and though the heavy snowfall cut down vision and forced riders to bundle up, it didn't dampen enthusiasm for the event.

Provincial conciliator to be appointed in near future

Dysart et al and road workers are stalled on contract talks

Negotiations between Dysart et al and its road workers, who are members of the Canadian Union of Public Employees (CUPE), broke down Monday night, the first time the two sides have met to hammer out a 1979 contract. Both sides have agreed to request conciliation.

Wages and the length of the contract are the major issues separating the two sides, according to Dysart et al reeve Murray Fearney.

The road workers have been without a contract since December 31, 1978 when the one year agreement expired.

Union members are seeking another one year contract, and a 65 cent an hour increase. The municipality wants the worker to sign a two year contract, that would include a wage settlement below the 65 cents an hour figure.

Dysart et al employs 18

road workers, at an average salary of \$5 an hour, plus a benefit package worth \$1.35. The 65 cents union members are asking for "is an increase of greater than 12 percent", according to Fearney.

The two sides met for less than three hours Monday night before talks broke down. Both sides agreed to ask the province to appoint a conciliator to mediate in the dispute.

Cont'd. page 2

Participants in last Sunday's Snowarama who left from Haliburton got a free fill up with gas supplied by Esso agent Giles Connelly. Connelly mans the pump while Rollie Letourneau fills the tank of a machine. A total of 182 riders took part in the event.

Toque-Pic Talk

Carnival weekend a busy one

by Toque-Pic

Well, here we are just a little more than a week away from the annual Haliburton Rotary Winter Carnival which is scheduled for Friday, Saturday and Sunday, February 16, 17 and 18. As I stated in last week's column, I will attempt to keep you up on the happenings of the event that you can look forward to when you attend this annual event.

The Carnival Headquarters will be located in Curry Motors Showroom on Saturday and on Sunday it will be in the Courtesy Van which will be at the public dock on Head Lake. You can go to these two places for any information you need during the weekend.

On Friday evening at 7:00 p.m. the Haliburton Figure Skating Carnival will be presented at the Dysart Community Centre and this is one spectacle that you won't want to miss.

All you fishermen should start to make plans now for the Carnival Fish Derby which will start at 9 a.m. on Friday, February 16 until 2:00 p.m. on Sunday. The Labatt's Trophy will go to the fisherman who catches the largest trout. Weigh-in will be at the Haliburton Red and White on Friday and Saturday, 9 a.m. to 6 p.m. and on Sunday from noon to 2 p.m.

The Hiram Walker Curling Bonspiel is set to get started at the Haliburton Curling Rink on Friday at 4:00 p.m.

Thanks must go to the Kinsmen Club of Haliburton, who are always willing to jump in and lend a helping hand wherever they are needed. They are coming up big again this year when, sponsoring two big days of races which will include

the second annual Echo Cup 100 Km. Cross Country Snowmobile Race on Saturday and timed solo course racing for 2 wheel drive, 4 wheel drive trucks and dune buggies on Sunday. Also on Sunday, Oval Snowmobile Races will take place in front of the town dock on Head Lake. They will be having all these races plus many more so why not participate and join in the action. Be there! It's sure to be a lot of fun.

The hockey enthusiasts should be at the Dysart Community Centre on Saturday and Sunday to take in the Chalk Dusters Hockey Tournament. You'll be surprised at what a good brand of hockey these boys play.

The youngsters will be in for a great treat from 2:30 to 4:30 p.m. on Saturday for the crazy carpet rides at the Victoria Street School. Refreshments will be served. If it's anything like past years, you can be assured that the hill will be covered with children with their crazy carpets.

On Sunday there'll be special church services at all local churches and those in winter attire are welcome. Make it a point now to take an hour and spend it in the church of your choice.

While attending the carnival, don't forget to drop over to the Lakeview Centre for the Haliburton Guild of Fine Arts Sale and Show which will be on for three days. Check the program for the time of each day's show.

If you like to dance there will be four dances with two on Friday night and two more on Saturday evening.

I'll be back next week in this column to give you the final wrap-up of events before the carnival gets underway.

Hookup to Wilberforce artesian well to cost ratepayers \$500, council decides

Wilberforce residents who want to service their homes from the hamlet's artesian well will be required to pay a \$500 fee to the municipality and sign a contract, council decided at its January meeting.

All connecting costs must also be borne by the individual seeking the hookup, council agreed.

The artesian well in Wilberforce was discovered on a ratepayers property and was purchased by the municipality more than a year ago to service the arena and other municipal buildings. A six inch main currently supplies

water to the arena, Lloyd Watson Centre, curling club building, fire hall and liquor store. Approximately ten ratepayers also draw their water from the well at present.

In other business, council decided to appoint Donna Herbert and Ken Binskin to the recreation committee for 1979.

The present Tory Hill recreation committee consisting of Carman Coumbs, Hubert Dunford, Ronald Dack, Ken Noble and Ruth Strong was also reappointed for 1979.

Council also accepted the resignation of Winne Scho-

field from the library board and voted to appoint Olive Atkinson to replace her.

The reeve and clerk were authorized to sign an agreement between the Canadian Red Cross Homemakers and the township for 1979.

Council agreed to hire Beryl Rutter as a part time employee with the title of assistant clerk treasurer.

Laverne Lewis of Tory Hill was granted permission to trap on Lot 24, Concession 10 of the township from December 1, 1978 until December 31, 1979.

The road committee for 1979 will consist of Alan

Revill and Carman Coumbs. A resolution was passed stating that council is in favour of retaining the Canada Manpower Outreach office in Haliburton.

Council decided it will petition the Ministry of Transportation and Communications for a 100 per cent subsidy for the rebuilding of Dillman's bridge. A copy of the resolution will be sent to MPP, John Eakins.

December road accounts of \$4,697.64, which includes one per cent for clerical services, were approved for payment.

Cont'd. page 2

Ron Grant of Haliburton was one of 182 snowmobilers who took part in the Snowarama for Ontario's crippled children Sunday. Here he signs in and hands over his

pledge sheets to Dale Robinson. Riders left from Haliburton and Minden to begin the 100 km. route of this year's Snowarama.

Recreation in township will be its focus

Somerville forms committee

A new Recreation Committee has been formed by Somerville Township Council.

The functions of the Committee are:

- To communicate and interpret the township recreation policies and services to public officials and to the general public.
- To attain a complete and continuous knowledge of the township and its recreation needs.
- To maintain high standards in recreation leadership and quality of program service.
- To assist community groups and organizations on request to plan and conduct their own activities of a recreational nature.
- To operate certain recreation programs which are

handled most effectively by the township.

- To recommend to council, the requirement of full and part time employees and the determination of their functions and duties. Appointment to be confirmed by council.
- To review and recommend to council budget estimates and requests for financial assistance before their submission to council.
- To be responsible for considering the future recreation needs of the township in terms of parks, arenas, facilities, programs and services and developing plans to meet these needs.
- To produce an annual report and such other specific reports for council as are necessary noting projects undertaken to achieve our general objectives.

A letter is to be circulated to community groups in the municipality outlining these functions and requesting that any financial assistance asked for by the groups be

submitted by March 31, 1979.

The Committee has recently recommended that a feasibility study be undertaken for a proposed Community Centre in Burnt River. Council at a special meeting held January 16 authorized the committee to undertake a feasibility study. Wintario may fund up to 50 percent of the total cost of the study.

Inquiries concerning the committee may be directed to the Secretary, M. McBride, Somerville Municipal Office 488-2571.

Harold Bannan was appointed chief fire warden for the Municipality of Dysart et al for 1979, and the following were appointed wardens: Pat Waddell, Neil Howe, Wilf Everett, Grenville Martin, Chester Schwandt, John Bruce, Earl Cooper, Gunter Wideman, Ken Cosby, Jack Burnett and Maurice Emerson.

The Rotary Club of Haliburton was granted permission to hold a Winter Carnival in Haliburton on Friday, February 16, Saturday, February 17, and Sunday, February 18, 1979.

The Correspondence and Finance Committee will be composed of Harold Bannan, Jack Denholm and Murray Fearney for 1979.

The Kinsmen Club of Haliburton was granted permission to hold snow machine races during the winter carnival, February 16 - 18, 1979, inclusive.

The following persons were appointed to the Dysart Planning Board for the term 1979: Lloyd G. Beate - 2 years (Exp. Dec. 80); Earl Sisson - 1 year (Exp. Dec. 79); Donald Popple - 1 year (Exp. Dec. 79); Merrill Barry - 3 years (Exp. Dec. 81); Roy Brohm and Gary McKnight from Council.

Tenders were called for the supply of one 1979 tandem, diesel truck complete with snow plow harness and dump box, delivery date to be specified on tender. Tenders are with and without trade of 1973 G.M.C. 5-ton dump complete with snow plow harness, plow and wing, and are subject to the approval of the Municipal Engineer, Ministry of Transportation and Communications.

Council decided a brief should be prepared for submission to Canadian National Railways and the Railway Transport Commission in reference to the abandonment of the Haliburton Subdivision.

The Reeve and Clerk were authorized to sign the Subdivision Agreement with Kronick Holdings Limited in reference to the Plan on Lake Placid.

Tenders were also called for the supply of one - 1979 four wheel drive 1/2 ton truck. Delivery date will be specified on the tender.

Irene Roberts application as caretaker, Municipal Buildings, in the amount of \$300 per month was accepted.

Tenders were called for the supply of gasoline fuel oil, stove oil and furnace oil for 1979-80. Tenders closed January 30, 1979. Lowest or any tender will not necessarily be accepted, council noted.

The Dysart Recreation and Community Centre Board for the year 1979 will be composed as follows: Brian Black, Toni Salvatori, Bob Nichol Jr., Scott LaRue, Tom Little, Gary McKnight, and Harold Bannan from council.

The 1979 Harcourt Community Centre Board be composed of: Marlene Main, John Deterling, Chas. Irwin, Jack Linkard, Ross Vondreau, Lee Sutherland and from council, Gary McKnight and Harold C. Bannan.

Bylaw No. 79-1, a borrowing bylaw, was passed as was bylaw No. 79-2, a bylaw to close, stop up and convey that portion of the original allowance for road between Lots 30 and 31, Concession IV, in the Township of Guilford.

Bylaw No. 79-4, a bylaw to close, stop up and lease a portion of Victoria Street, Town Plot of Haliburton, Township of Dysart, and bylaw No. 79-5, a bylaw to close, stop up and lease a portion of the original allowance for road between Concession VII and Concession VIII, across Lot 18, Dysart, were passed.

The Haliburton Pioneer Museum Committee for 1979 will be composed as follows: Margaret Sisson, Jane Heyes, Jim Johnson, Clara Andison, Allan Bagg, Harley Cummins, Donald J. Finn, from Rotary - Ron Curry and Gerald Dawson, and from Council, N.J. Denholm and Gary McKnight.

Young Canada Works Program for the township which will provide employment for ten students for the months of July and August.

Clerk Gerald Bain was asked to contact the county requesting the Department of Indian and Northern Affairs to cover the holes located in dams for the inserting or removing of logs, when not in use by its employees.

General accounts totalling \$4,758.29; December 1978 Welfare totalling \$1,279.50 and Road Voucher #12 in the amount of \$7,805.91 were approved for payment.

Bylaw 79-5 for the purpose of establishing a Municipal Recreation Committee and Bylaw 79-6 to provide for maximum weight limits on bridges were passed.

The clerk was authorized to make application for a 1979

Dysart council appoints boards at January regular meeting

At the January meeting of Dysart et al council the following matters were considered:

General accounts totalling \$214,857.71, road accounts totalling \$30,640.74, and social services accounts totalling \$9,649.08, were approved for payment.

Howard Roberts was appointed Weed Inspector for 1979 and the clerk will advise the Ministry of Agriculture and Food.

The Dysart Library Board for 1979 will be composed of Victoria Ross, Phyllis Woodcock, Heather Scully, Mary Walling and Blanche Turner with Roy Brohm from council.

Howard Roberts was appointed chief fire warden for the Municipality of Dysart et al for 1979, and the following were appointed wardens: Pat Waddell, Neil Howe, Wilf Everett, Grenville Martin, Chester Schwandt, John Bruce, Earl Cooper, Gunter Wideman, Ken Cosby, Jack Burnett and Maurice Emerson.

The Rotary Club of Haliburton was granted permission to hold a Winter Carnival in Haliburton on Friday, February 16, Saturday, February 17, and Sunday, February 18, 1979.

Bylaw 79-5 for the purpose of establishing a Municipal Recreation Committee and Bylaw 79-6 to provide for maximum weight limits on bridges were passed.

The clerk was authorized to make application for a 1979

Stanhope council at its January meeting, threw its support behind a resolution from the Town of Oakville opposing topless waitresses and the distribution of pornographic material in any manner.

Notice of the support will be sent to provincial Attorney General, the Municipal Liaison Committee, the Association of Municipalities of Ontario, and MPP John Eakins.

In other business, council accepted with regret the resignation of Mrs. Louise Watson as secretary treasurer of the Stanhope Airport Committee. In accepting the resignation, council noted its gratitude for her "years of devotion, dedication, cooperation and hard work in developing this service to the community."

Mrs. Watson was also made an honorary life member of the committee.

Appointed to the position of assistant secretary treasurer of the committee for the period of February 1, 1979 to December 1, 1980 was Pamela Rolfe.

Council supported the proposal received from the Township of Bexley relative to an increase in the Wolf Bounty.

Richard Kinsmen was authorized to attend the Fire Chiefs' Convention to be held in May, 1979.

Council approved an expenditure of \$40 for membership in the Ontario Fire Chiefs' Association for the ensuring year by Chief Richard Kinsmen.

Glamorgan Township council approved at its January meeting a proposal from Ron Barr to install two foot bridges at the side of the proposed township park.

The bridges, in respect to the Participapark facilities, will be installed by the Kinsmen at no cost to the township for material.

In other business, the reeve and clerk were authorized to sign agreements with Red Cross, Lindsay and Dis-

appointed for the carrying out of the provisions of the (Highway Traffic) Act finds a vehicle on a highway in contravention of the provisions of this section or the regulations, he may move the vehicle or require the driver or operator or other person in

charge of the vehicle to move it."

Sergeant Besteman's letter notes that "the removal of vehicles parked or standing on roadway that are interfering with the movement of traffic or the clearing of snow rests solely with a constable or an officer appointed for carrying out the provisions of the Act". In Haliburton County this would be the Minden Ontario Provincial Police.

"I wish to recommend that when you road department staff or the bylaw enforcement officer locates a vehicle parked interfering with traffic or snow removal that requires the use of a tow truck, that you contact the Minden OPP. A police officer will assess the situation as far as removal of the vehicle, in compliance with the Highway Traffic Act," the sergeant's letter concludes.

The Reeve and Clerk were authorized to sign the Subdivision Agreement with Kronick Holdings Limited in reference to the Plan on Lake Placid.

Tenders were called for the supply of gasoline fuel oil, stove oil and furnace oil for 1979-80. Tenders closed January 30, 1979. Lowest or any tender will not necessarily be accepted, council noted.

The Dysart Recreation and Community Centre Board for the year 1979 will be composed as follows: Brian Black, Toni Salvatori, Bob Nichol Jr., Scott LaRue, Tom Little, Gary McKnight, and Harold Bannan from council.

The 1979 Harcourt Community Centre Board be composed of: Marlene Main, John Deterling, Chas. Irwin, Jack Linkard, Ross Vondreau, Lee Sutherland and from council, Gary McKnight and Harold C. Bannan.

Bylaw No. 79-1, a borrowing bylaw, was passed as was bylaw No. 79-2, a bylaw to close, stop up and convey that portion of the original allowance for road between Lots 30 and 31, Concession IV, in the Township of Guilford.

Bylaw No. 79-4, a bylaw to close, stop up and lease a portion of Victoria Street, Town Plot of Haliburton, Township of Dysart, and bylaw No. 79-5, a bylaw to close, stop up and lease a portion of the original allowance for road between Concession VII and Concession VIII, across Lot 18, Dysart, were passed.

The Haliburton Pioneer Museum Committee for 1979 will be composed as follows: Margaret Sisson, Jane Heyes, Jim Johnson, Clara Andison, Allan Bagg, Harley Cummins, Donald J. Finn, from Rotary - Ron Curry and Gerald Dawson, and from Council, N.J. Denholm and Gary McKnight.

Young Canada Works Program for the township which will provide employment for ten students for the months of July and August.

Clerk Gerald Bain was asked to contact the county requesting the Department of Indian and Northern Affairs to cover the holes located in dams for the inserting or removing of logs, when not in use by its employees.

General accounts totalling \$4,758.29; December 1978 Welfare totalling \$1,279.50 and Road Voucher #12 in the amount of \$7,805.91 were approved for payment.

Bylaw 79-5 for the purpose of establishing a Municipal Recreation Committee and Bylaw 79-6 to provide for maximum weight limits on bridges were passed.

The clerk was authorized to make application for a 1979

passenger in his truck wore a seatbelt.

Damage was also estimated at \$2,000 when two cars met on the crest of a hill near Gooderham, Saturday afternoon.

Police say Ruby L. Madill, 40, of Gooderham, was westbound on the Glamour Lake Road when her car collided

Dysart

from page 1

Last year's settlement was reached without conciliation. The two sides are expected to be back at the bargaining table within a month.

Negotiations between Haliburton County Council and its road workers, who are also members of CUPE, are scheduled to begin Wednesday night.

Douglas R. Scott, 26 of Kimmount, was northbound on highway 121 south of Minden when his car went out of control, struck the snowcone and entered the west ditch, coming to rest in a group of trees.

Scott was charged with failure to wear a seatbelt assembly.

OPP report

Six reportable motor vehicle accidents were investigated by the Minden detachment of the Ontario Provincial Police during the week of January 29 to February 4.

There were 69 general occurrences during the period.

MR FOGG'S FIFTH

HELP CELEBRATE MR. FOGG'S FIFTH!

We have just finished our fifth year of serving the Haliburton Highlands! We opened our coffee shop in February 1974, and by early March our dining room was in full swing. We have grown, with your support, and now Mr. Fogg's facilities cater to four community needs - a bright coffee shop, cozy, warm dining rooms, our fun room - the Fogg's Bottom, and Mrs. Fogg's, a take-home food service.

We have enjoyed the past five years, and we are looking forward to the next five. We appreciate your support and want you to help us celebrate our fifth, so, we have planned a two month birthday celebration!

FOGG'S FIFTH FLASHBACK!
COFFEE - 10 cents a cup during the month of February

This is just one of the many features we have planned ... watch for all our advertised and unadvertised birthday specials coming up. More details are available at Mr. Fogg's in Carnarvon on Hwy. 530 at 35.

Recovering bodies part of OPP diver's job

In 12 years as divemaster, Barry Connelly has learned to steel himself to the tragedy of drowning

Provincial constable Barry Connelly is one of those cops you could probably make a new television series about. No, he's not a member of a SWAT team, or a bald-headed homicide investigator.

Constable Connelly isn't even a Blue Knight. He is just an ordinary Ontario Provincial Police constable stationed at the Minden detachment, although he differs from his

colleagues. Whenever a drowning is reported to the OPP between Algonquin Park and Lake Ontario and between Toronto and Apsley, constable Connelly climbs into his wet

suit, assembles his scuba gear and goes diving for a body.

It's a job that has to be done and as the dive master for this district, which includes 40 other divers, Connelly makes no bones about his job.

"You get the dirty jobs," he says unemotionally. "You get the bad jobs."

As dive master for the district, constable Connelly is the chief organizer and overseer for the 40 other divers in his district. However, he insists that he is not "a boss".

"When you are diving with

was in the making at that time and after being transferred to the detachment in Cobocok, he applied for a position on the team.

Constable Connelly made the team and, for the first few months, he dove with his own "rig". As the squad progressed, equipment was bought and paid for by the force and the squad became equipped with the best scuba gear available.

He was soon appointed dive master for the district by the chief diving superintendent.

"I really got the appoint-

The number one cause of drowning, says constable Connelly, is alcohol. Sheer stupidity and carelessness is the reason many people drown and why people always will drown, he says.

"People don't realize the danger of water."

It is for these reasons that the OPP patrol waters throughout the region with a police boat, handing out violations to persons not wearing safety jackets. The boat, stresses the constable, has actually cut down on the number of drownings.

In one summer, 32 drownings occurred. Thanks to the use of the police boat, drownings in the area have been trimmed down to 10 over the past summer. "People get mad but ...it's for their own good, believe it or not."

But drownings keep happening, and bodies must be found. The procedure the police diver goes through and the calculations necessary to fulfill the job are just as important as finding the body itself.

He is detached from his regular duties as a police constable at the detachment when he is called upon as a diver. So the first in a series of procedures is that he must leave the detachment to wherever a drowning has occurred.

When he arrives at the scene, he and a fellow diver look over the scene and get an approximation from a witness (if there is one) where the person fell in. They calculate, according to the current of the water, where the area the body might be located. They slip into their wet suits and unassemble their various pieces of equipment. A planing board, which is similar to a wing, is attached to a boat by a long cord. The diver will grasp the board with both

and brought back to the shore.

"The hardest part of the job is dealing with the next of kin, when they're standing on shore watching what is going on. They just stand around and hope."

The diving squad does not only recover drowning victims, however. Criminal work is also done such as searching for lost aircraft, guns and boats. Gadgets such as metal detectors and 'side scanners' are used to

aid the diver in recovering these articles. Side scanners are towed behind boats and operates similar to a sonar beam. It sends out waves, which strike the bottom and bounce back, indicating where something may lie.

Canada, in fact, is one of the most advanced diving countries in the world. The recompression chamber located at Downsview is an excellent facility for reproducing pressurized situations associated with deep diving.

"It's a different world in the water, completely," constable Connelly says. And because of that 'different world', he warns that anyone who wants to dive should take an accredited course. Otherwise, don't try it. "There's a lot of things that can kill you. The main one is panic."

So if you ever see a policeman walking around the area with 'scuba' marked on his arm, you'll have an insight into what his job entails.

Bob Pearson helps Barry Connelly put on his mask

The two divers back into the frigid waters of Twelve Mile Lake

The number one cause of drowning, says Connelly, is alcohol

guys who are just as good as you, you don't boss them. You use their brains just as much as you use your own."

The constable originally became involved in diving for the force when he was stationed in Cobourg in 1965. A diving squad within the force

ment because I was the oldest on the team," he modestly admits.

Constable Connelly has now been in the diving squad for 12 years and dives with Provincial constable Bob Pearson, also stationed at the Minden detachment. Diving is always done with a partner known as the buddy system.

"At first they (members of the force) underestimated us," he says. "We won't bother with the divers, we'll use the hooks," they used to say. But constable Connelly says he's never had the problem since and when at a scene, "always gets along good with the fellows who are there."

In his 12 years on the squad, constable Connelly estimates he has recovered

'The hardest part of the job is dealing with the next of kin'

the bodies of 150 drowning victims. It's a harrowing fact, but one that constable Connelly has learned to live with.

"It bothers you at first," he explains, "but it doesn't bother me now."

But the job, no matter how used you are to bloated bodies and an image of a corpse lying on the bottom of a lake, still has its moments of horror and of sadness.

"It's particularly hard with the next of kin. If someone lost a person that has drowned, they don't believe the guy is dead until they see him lying in a coffin."

With a slight hint of pain on his face, constable Connelly mentions an aspect of the job he will never get used to.

"Children," he says. "That is the only kind of body that bothers me now. With adults, they usually drown because of stupidity, but with kids, well...they've hardly tasted life."

hands and, while being towed by the boat, glide under water, controlling his movements with the planing board.

A course is set by constable Connelly for the boat to follow. A grid is set up and the boat will travel back and forth over the area in which the victim was believed to be drowned, all the while towing the divers underwater.

"When we spot the body," says the constable, "I pull the release on the planing board and it goes to the surface." This signifies to the men in the boat to stop and wait for the divers to surface with the body.

But before this is done, he and his fellow diver look around the body very carefully and examine the position. The reason for the check, is to see if weapons or some sort of evidence could show reasons for the drownings.

The body is brought to the surface, lifted onto the boat

An exercise in giving

They came from Haliburton County, and from many other places, 182 of them in all, armed with pledge sheets and outfitted in windproof and snowproof armour. They rode a 100 kilometre course, and when it was over, they had raised \$18,072.50 for Ontario's crippled children.

This year's Snowarama was a huge success, and the support it received from participants, organizers, and those who pledged, indicates that people are more willing than ever to support a good cause despite inflation and the falling dollar.

The point to be drawn from Snowarama is that fund raising works best when it involves some form of active participation. Too often, it seems, requests for money for charities and projects fall flat because the requests don't encourage people to become involved in a direct and measurable way. Snowarama takes a different tack, and in the five years it has been operating, the tack has paid dividends for Ontario's handicapped children.

The event in Haliburton County was well organized and smoothly run, and credit must go to the Rotary Clubs of Haliburton and Minden who manned the checkpoints, collected the pledge sheets and ensured that the day went off without a hitch.

Riders, too, endured less than ideal weather on the ride, and spent weeks gathering pledges from relatives, neighbours, friends and fellow workers.

But perhaps the people who deserve to be recognized most are those who put their money on the line, agreeing to pay a certain amount for every kilometre the riders covered.

Ontario's crippled children will be a little better off because of that support.

Looking on the bright side

According to the traditional test, there are at least six more weeks of cold weather and slippery roads to endure before the warmth begins to creep into the Highlands once again. The groundhog has seen his shadow, and there's not much we can do about it.

Not much, that is, except look for the brighter side of things. It's all too easy these days, to lapse into a state of gloom. It IS cold after all, and it will continue to be that way for a few weeks more, whether you put much credence in the groundhog test or not. And then there's the price of heating homes in all this minus 20 and 30 weather, which no one can really smile about. And too, reports say the price of beef will rise dramatically this week because of high prices paid for steers last Friday, even though that expensive beef won't reach the market for at least three weeks. Unfair? Yes. Avoidable? No. Like winter, it's one of those things, it seems, with which we as Canadians are forced to live.

But there are trends which should make us look on the bright side these days too, even if the greyness of winter is beginning to press more heavily on all our shoulders.

The most optimistic note of all comes from the tourist operators in Haliburton County. All indications are that winter business is up this year, and that means a more stable economy and a little brighter future for the county as a whole. If the trend continues, as most people hope, the sluggishness that has traditionally accompanied the coming of winter may eventually become a thing of the past for retailers and resort owners.

It's a trend to capitalize on, a trend that must be nurtured and developed.

It's true, of course, that economic improvement alone won't make the burden of winter vanish like the snow in spring. But it may help bring smiles to faces grown weary of biting wind and snow filled days.

The promise of brighter days can, with effort, sustain us through the six more winter weeks the groundhog's shadow has promised.

Running too fast to freeze

Letters to the Editor

To the Editor:

On January 14, 1979 at approximately 11:30 p.m. the snowmobile on which my daughter was a rider hit a patch of ice. The machine flipped and both driver and rider were dumped. My daughter's knee was quite badly cut and her head slightly bumped. As the accident occurred closer to Minden than Lindsay, she was taken to Minden Red Cross Hospital. I phoned the hospital giving them nearly a half hour to prepare for her arrival. There was no doctor at the hospital. Apparently, one was called. He left a message that my daughter should go home and phone the hospital at 8:45 a.m. Monday to arrange to have the knee stitched. The nurse bound up the knee and suggested my daughter take aspirin for the headache. By the time she got home the bandage was blood soaked and the injury very painful. At 3:30 a.m. on Monday the ambulance from Fenelon Falls took my daughter to Ross Memorial Hospital, Lindsay. Thirteen stitches were needed to close the wound. The attending physician had X-rays of the knee taken as he thought the knee-cap was fractured. Fortunately, it wasn't. Two weeks later my daughter is still limping. It is apparent this injury was more than a few scratches!

I feel Minden Hospital needs its emergency facilities investigated thoroughly. A doctor who could be called upon to "be there" in an emergency would be a good start. What happens when a severely injured person arrives at the hospital? We need the Red Cross Hospital, Minden, but if this kind of help is all that is available, maybe it should be closed. We don't expect miracles, just adequate emergency aid.

Yours truly,
Kathleen M. Tidwell,
Cobocok, Ontario.

To the Editor:

Sir, the letters from local dentists and general practitioners that appeared in your last issue were very informative and technically correct with regard to the current level of useage of fluorides in municipal water systems. However, the debate on uses of such trace chemical compounds as sodium fluoride has been going on for decades and will not likely ever cease to be a source of argument. The point that everyone seems to miss though is alluded to in Dr. Postlethwaite's letter to you. "For those not exposed to ...fluoridation of water supplies, fluoride supplements such as tablets, liquids, vitamin-fluoride combinations, mouth rinses, etc. are available ..."

In other words, there is no reason for local municipal governments to involve themselves and the taxpayers' money in a controversy that can be reviewed by individuals, and action taken on their own initiative. Let our professionals, of whatever persuasion, make available to us the information that seems pertinent to the dialogue, but for God's sake let's keep politics out of it. If I personally feel that fluorides are a danger to my health - I need do nothing; if I feel that fluorides are to my advantage - I need only procure the necessary supplements. In either case my individual right of choice is protected to no one else's detriment, the learned professionals may carry on their rhetoric, and the governments involved may get on with other pressing matters.

Gary Kenney,
RR 1, Haliburton

To the Editor:

Last week I received your paper with the Christmas Greeting section. I was overjoyed that the true meaning of Christmas was portrayed in so many greetings. We are now almost a month into the new year and I want to wish all of Haliburton a happy and prosperous year of 1979.

We have been summer residents for ten years now and I would like to share some of our memories with you. We built our cottage as a family project, which gave us a tremendous sense of satisfaction. As we cleared the bush we were gradually presented with a beautiful view of the lake and a lot more sunshine. Finally the great moment arrived! We could take our sleeping bags out of the tent and spend the first night under our new roof! It was a very still, cold, clear night and the stars seemed brighter and closer than ever.

We decided to stay a while longer and finish some work on the inside. First we headed into town for some more supplies. We asked Mike Easton if he would accept a cheque and although he did not know us, he said, "sure", and smiled. Just like that! It was at that precise moment that I fell in love with Haliburton! Even today wild horses could not make me shop elsewhere. I remember my feelings last spring when I first saw the new store. Progress! Would that also mean indifference and the impersonal fling of the groceries? I was soon reassured that I would be looked after by the same friendly people who give such caring service.

I also remember the sweet little lady with rosy cheeks, who had a bakeshop on main street. She sold the best buttermilk I have ever tasted. I remember the lovely fruit and fresh vegetables at Mr. Steinberg's, the quick service a couple of times at Curry Motors and many more occasions when the friendliness of the people made us feel at home. We still look forward to the parade every year and of course, afterwards the fair! We meet the same people again, cheerful, working hard to make the fair a success.

During the winter I think a lot about Haliburton. That is why I always enjoy my time in Haliburton. That is why I always enjoy my business is obviously of and that surprises me. beautiful scenery that it to think of some ways to the following suggestion perhaps inspire others to Haliburton should put that way we may come.

First of all we have parking facilities. Tourists, are channeled in route to the parking lot. To many people on holiday to shop in a leisurely way and come back to shop dinner. A nominal charge merchants would park.

Haliburton is a perfect the Highlands. We writers, painters, musicians, seminars on environmental opportunities are unlimited. young people can really nutritious meals with pastries, no mixes.

Feir Play

by Creighton Feir

Linda Sibley has lived most of her life in Haliburton County. As a child she attended the one-room school in Essonville. She was an exceptional student during her years at Haliburton Highlands Secondary School where she was valedictorian in her graduating year. After receiving her Honours Bachelor of Arts Degree at Trent University in Peterborough she took teacher training and became a high school teacher of French.

Linda taught at Carleton Place for 3 years and then returned to Haliburton to teach at our own high school. In 1976 she resigned this position to attend Ontario Bible College where she became acquainted with the work of the Bible and Medical Missionary Fellowship. Through this Mission she learned of a teaching position at Muree Christian School in Pakistan. Linda applied and was accepted, so in July of 1977 she left for Pakistan.

Now, halfway through her 3 year term, Linda has been able to arrange a short visit home. Linda has a great deal to share in relating her experiences and in the pictures and curios that she has. The Haliburton Chapter of the Evangelical Fellowship of Canada is pleased to sponsor an evening in which many of Linda's former school mates, teaching colleagues as well as friends and relatives will have an opportunity to hear Linda tell of the work that she has been doing. Linda will be making this presentation on Tuesday, February 13, at 8:00 p.m. in the Resource Centre of the Haliburton Senior Elementary School. Everyone is invited to hear and see this interesting missionary presentation from this dedicated Christian lady who has grown up in our own county.

Ron Stackhouse who plays defence for the Pittsburgh Penguins in the National Hockey League was playing in a game against the Colorado Rockies in Denver on Thursday night, January 25 when he dropped in front of the net to block a shot and the puck hit him in the eye. He was rushed to a hospital in Denver and wasn't released until Tuesday, January 30. He then boarded a plane that took him back to Pittsburgh. Although the eye injury was not as bad as first anticipated it will keep him out of action for several games. Ron was also injured earlier on in the season. Of late the team has been on a winning streak and he will be missed on the Pittsburgh blueline.

Bill Roodenberg was elected President of the Haliburton District Real Estate Board at their annual meeting held at Mr. Fogg's Restaurant on January 18. Ed Payne, Regional Vice-President from Peterborough, officiated at the installation of the new slate of officers for 1979. Norm Harrison was elected Vice-President and Directors included Harry Davis, Alf Wickens, Larry VanLieshout and Past President Lynn Craigmyle.

In his retirement speech Past President of the local board since its inception two years ago, Lynn Craigmyle gave a comprehensive report on the dramatic increase in MLS sales and listings and encouraged the new executive to continue to strive for increased membership and a dedication to sound ethics in the principles of real estate marketing. He underlined the impact of decisions being made by the Ontario Real Estate Association and reaffirmed his continuing support for a strong local board.

Harry Davis made a presentation to Past President Lynn Craigmyle on behalf of all members and extended his appreciation for the leadership and guidance Craigmyle provided during his tenure of office.

On December 21, Espanola High School honoured its graduating students. The Valedictorian address was delivered by Donna Miller, daughter of Mr. and Mrs. Mel Miller of Espanola. She is the granddaughter of Mrs. Gertrude Miller of London, Ontario (formerly of Wilberforce, Ontario). Mrs. Miller served as Public Health Nurse in Haliburton for 10 years. Valedictorian, Donna Miller, received a total of six awards. Her highly successful academic standing at Espanola High School and her outstanding involvement have won her local respect. She is presently studying at Trent University majoring in Biology and Geography while working towards Honours B.Sc., her average in Grade 13 was 96 percent. Donna's academic awards include the Ontario Scholar, Champlain Scholarship - Trent University (2616.00 dollar value). She placed second in the Laurentian University Chemistry Contest. Miss Miller was the academic leading student at Espanola High School for 1978 and 1979 and maintained the highest class average from 1974 to 1976. As many residents of Espanola know she was Miss Espanola and Miss Northern Ontario. She was also the most outstanding senior in Espanola Figure Skating in 1975.

The Rotary Club of Haliburton would like to take this opportunity to thank Giles Connelly, local Esso agent, who supplied the gasoline at Haliburton for Snowarama which was held on Sunday.

We wish a speedy recovery to both Frank

From the Chamber

by Bob Stinson

Ontario Cottagers Association
Chose Local President

Jerry Strickland, who is known locally as the president of the Misquabi Lake Cottagers Association, has now been elected president of the Federation of Ontario Cottagers Association Incorporated. The Federation will be going all out to build better communication network with cottagers both directly and through local associations. In order to do this, membership is now being encouraged on a direct basis for cottagers who do not have a local association representing them. Membership provides them with a means of communication which will keep them informed on concerns that will affect them as cottagers, and will also give them an avenue through which they can voice their concern. Individual memberships are \$15.00 a year and may be obtained by contacting the Federation of Ontario Cottagers Association Incorporated, Suite 105, 215 Morrish Rd., West Hill, M1C 1E9.

Jerry Strickland was and still is very active on our Haliburton Water Levels Committee and from our experience with him there we know he will make a good president for the Federation. We wish him and the Federation much success and look forward to working closely with him.

Tale of Two Businesses

Once upon a time there was a business man of moderate means who came to our community and bought a moderately successful business operation. By moderately successful we would suggest that the previous owner was making an adequate living from the business considering the fact he had no mortgages to pay. New owner of course, would be faced for some years with a mortgage and therefore would have to increase the amount of business and profits substantially in order to make a living as well as pay for the business. He immediately joined the Chamber of Commerce as well as a provincial association relative to his business. Within six months he was also involved in a local service club. He worked actively within the service club and also participated in all the Chamber functions. When seminars were made available that would provide him with more expertise in the operation of his business he anxiously took advantage of them.

Within a year this business had doubled in volume, and this man was well on his way to becoming one of the community's more successful business men. He took little credit for this success, suggesting that it was mainly due to the friendly, helpful assistance he got from all the friends he had made in his new community.

Another business man arriving in the area at approximately the same time appeared to be less fortunate. The business he purchased was already a member of the Chamber of Commerce and he therefore inherited the membership for the better part of his first year operation. He participated in none of the Chamber activities, and did not attend seminars since he apparently was convinced he didn't need them. When approached by a service club he said he was far too busy to be involved in that sort of thing, after all, he had a business to put on its feet.

In order to improve the economic base of his business he felt it necessary to cut costs drastically. He slashed his advertising budget, provided no funds for donations to local community projects, and took many trips to the larger centres in order to buy supplies at a saving of a few dollars. He seemed to have a great deal of personal problems since the morale of his staff was one of his lesser priorities.

After a year of operation business was far worse than when he had started, and with this in mind he would have to cut costs even more. He did not renew his membership and advertising with the Chamber, nor with the provincial association since he had "obviously" not received any benefit from either. Things looked bad and he listed his business for sale. He positively announced that it was impossible to make a living in this country because of the way we ran things and that if the community had been more receptive and helpful to him he might have made a success of it. Now if someone would just give him a decent price for his business he would move on to where there was more receptive business climate.

These two business men came to our community about the same time with the same opportunities but the ending to their stories is certainly very different. There must be a reason.

Cars Being Towed Away

The practice of some cottagers who visit their cottages on occasion in the winter time and leave their vehicles parked on the side of the road is being strictly dealt with by the O.P.P. Following a rash of accidents that resulted from this dangerous situation, the O.P.P. are having such vehicles towed away at the owner's expense.

One cottager who experienced this dilemma was

Pic of the Past

Our Pic of the Past this week shows a group of hunters in a photo that was taken in about 1925. Seated on the running board are the late Mr. James Welch of Hall's Lake and the late Percy Peck. Driver of the car is the late Fred Welch of Hall's Lake and beside Fred is the late Harry Welch of Minden. In the back seat is Mr. Sam Welch of Minden. Others in the picture are known and probably some of our readers can identify them. Our thanks to Mr. A.M. Adams of St. Catharines, Ontario for submitting this most interesting photo.

Bill Smiley

After about 10 days of solid blizzards and bad driving, low temperatures and a lower temperament, my social, intellectual and emotional life hovering around zero (Fahrheit), I wondered what to write about this week.

Came home from work, picked up the mail, and there was a fat package from something called AMC, Ottawa. I turned it over a couple of times, wondering whether the initials meant Ancient Military Curmudgeons, from some veterans' outfit, or All Men Cowards, from some rabid women's lib crowd.

Not to worry. Democracy is still rearing its bruised and battered head here and there in this our native land. The package was from Anti-Metric Canada, its single and avowed purpose the stamping out of the metrication of our fair white country.

It contained: an honorary membership card; a bumper sticker which shouts, "Pound Out Metric"; a newsletter with a number of spelling and grammar errors; a personal letter from the president; a petition to sent to my M.P.; a full page of anti-metric propaganda; and a quiz or survey loaded with questions along the line of, "When did you stop beating your wife?"

Sample question: "Do you realize that under the metric system that (sic) the farmers will loose (sic) money and the dairy cartel win?" Answer yes/no.

How can you answer a question like that? With a yes or no? Personally, I think it's high time the farmers were pried loose from some of their money, and the whole thing is putting the cartel before the cow.

Another sample: "Do you believe that people come before computers?" Well, yes and no. We were here before the computers, but when it comes to arguing with one over a boo-boo on your charge, it's obvious that they come before us. And I have a secret hunch that they'll be here long after the human race has disappeared, chattering and giggling away among themselves about how they so finally, and so easily, got rid of us.

Just one more sample. "Do you want the Canadian public to pay \$2.00 a gallon for gas?" Answer: depends on whether you think a gallon of gas is more important than a pound of beef. If the Ay-rabs can get \$2 a gallon for it, that's what you'll pay. If the beef farmer can get \$3 a pound for sirloin, and you

don't happen to have a steer tied up in the garage, that's what you'll pay. Elemental.

These questions are being sent to M.P.'s. Migod, I hereby resign my honorary membership in the Anti-Metric Canada organization.

I am much more sympathetic with their arms than their means. (But I wonder where they were when I was carrying on a lonely, single-handed, but valiant fight against metrication a year or so ago?)

I detest metrication and all it stands for: conformity, unification, anonymity, and confusion for everyone over thirty years of age. Ask any shopping housewife what she thinks of it? She will probably, if she has thought about it, reply that it's a lovely opportunity for the food barons to rip everybody off, except those equipped with a pocket calculator and endless time on their hands.

A gram here and a millilitre there add up to millions, over a year.

And now let's hear from industry. According to it, changing to the metric system was going to make Canada much more competitive in the world market. We are about as competitive as Greenland, and our single biggest customer, the U.S., has not gone metric, though it is toying with the madness.

When I want to know how cold it is, I tune in to an American TV weather report, get it in Fahrenheit, subtract another ten degrees for the difference in latitude, and say to my wife, "Holy Moses, woman, no wonder the pipes froze. It was 12 below last night." And she knows I don't mean Centigrade.

Math and science teachers to the contrary, the world got along very well when every nation had its own terms of currency, measurements and weights. In the days when the sun never set on the British Empire, the British pound had a solid ring to it, anywhere in the world. They didn't give a diddle about changing it to annas, or yen, or marks.

Same with the American dollar, for a century or so. It was worth a dollar, not whatever the Swiss and Germans and Japanese decided it was worth.

There was a quaintness and a difference and an individuality about currencies and measures and weights, that is being lost in these days of international conformity. If a British horse stood 40 hands high and weighed 14 or 44 stone, in a

British novel, that was good enough for me. He was either a big horse or a little horse. I didn't have to get out my calculator.

If Bassanio wanted to borrow three 3,000 ducats from Shylock, I knew that was no \$78.50, and was satisfied.

I know I have no more chance of reversing the metric thing than I had of another of my lost causes: that pale pink maple leaf on a dirty grey background that is Canada's national flag.

But I wish the AMC luck. And I'm going to use my bumper sticker, if only to annoy my neighbour, a math teacher, who has been flaunting a "Think Metric" sticker for several years.

My sticker is bigger, white printing on red, with a big hammer pounding down on the slogan, "Pound Out Metric".

The organization also has a stubborn little war-cry I rather like. "We won't move our feet an inch."

From the Chamber

in a fairly isolated area with no telephone and had to walk eight miles to the nearest source of communication. He was apparently unaware of the danger of leaving his car parked on the side of a township road and of the extreme consequences that could result. We have therefore agreed with your help to try and publicize this fact as much as possible. We urge all of you who may be talking to visiting cottagers who are not aware of this situation to stress the fact to them that they must make some arrangements to park their cars off any travelled sections of any roads. It could be a matter of life or death.

Letters to the Editor

from page 4

We also need a first class diningroom for the lovers of great cuisine and great wines; a place that people are willing to seek out in the Highlands, with a reputation for excellence spread by word of mouth. There should also be an attractive place to sit, perhaps a tea garden with pastries in the summer and hearty meals for skiers during the winter.

However, it is important to work together. Your churches have already set a fantastic example in this respect. It is not productive to hold back for fear that someone else may benefit too.

Haliburton can and should be a place where tourists from afar come to find an oasis of care and quality in a world of noisy, instant satisfaction. We already have a convention centre and two good lodges in beautiful settings. Come on Haliburton! Get going! And then let all the world know you are ready and waiting. I love Haliburton, don't you?

Patricia Holt,
West Hill, Ontario.

Report from Queens Park

by MPP John Eakins

The Minister of Health recently announced budget plans for Ontario hospitals for the fiscal year 1979/80.

A 5.3 percent increase is planned for each chronic care and rehabilitation hospital, for chronic care and rehabilitation units within active treatment hospitals, and for out-patient operations. A 4.5 percent increase is planned for public hospitals, after adjustments for bed-population guidelines. There is to be a three-year program to phase in bed-population guidelines of 3.5 beds per 1,000 referral population in Southern Ontario and 4 beds per 1,000 in Northern Ontario.

The Minister stated that no hospital will receive less money in this fiscal year than last, and that district health councils and other organized local health planning bodies will have increasing responsibilities in co-ordinating health care services for both hospitals and alternate forms of care, such as long-term care. He mentioned copayment adjustments for ambulance services, the introduction of \$9.80 per diem copayment for long-term chronic care and capital financing incentives for hospital cost-saving projects. There is to be continued funding for life support and one-of-a-kind programs, and long-term care services may be expanded as a result of studies of long-term care requirements now being conducted by district health councils and other health planning bodies.

Two kinds of adjustments will affect hospitals as of April 1. The first is with respect to budgets, and the second is in connection with measures designed to encourage "better use of the health system" - specifically copayment or user fees. As the Minister pointed out, the principle of user fees is not new. Those who use ambulances and those in nursing homes have paid user fees ever since these services became insured benefits. Insured

persons who use the ambulance service are charged a fee for each trip and extended care residents of nursing homes are charged a per diem rate. Certain user fees have also been recommended by a number of committees and groups studying health costs in recent months, such as the Taylor Committee and the Legislature's Select Committee on Health Care Financing and Costs.

The Minister pointed out that at this time some 35,000 extended care patients in nursing homes and homes for the aged pay a per diem charge, while patients in chronic hospitals, which cost far more, now pay no per diem fee at all. There is currently no incentive to move patients from chronic beds to nursing home beds when nursing home care could more properly meet their needs. The government is therefore introducing a per diem charge for those occupying a chronic bed in a public or chronic hospital longer than 60 days. The 60-day qualifying period begins February 1. As of April 1, 1979, the fee is to be \$9.80 a day, equal to the per diem nursing home fee. The same fee would also apply to those occupying a bed in a provincial psychiatric hospital longer than 60 days. Exemptions from the chronic care copayment will include those on Family Benefit Allowance and on General Welfare Assistance, as well as those veterans in Sunnybrook and Westminster for whose care we have agreements with the federal government.

As of April 1, the ambulance copayment will increase, for the first time since its inception 11 years ago. For insured persons, it will increase from \$5 to \$20. The mileage charge for longer trips will be abolished. For those not insured or for uninsured services, such as medically unnecessary trips, the user charge will increase from \$25 to \$40. The actual cost of an average ambulance trip is about \$90.

Scott wants the government to relax control of airlines

Bill Scott, M.P., Victoria-Haliburton says he is concerned about excessive government interference and regulation in the airline industry. The local member reports that he has been monitoring the success of deregulation of this industry in the United States and feels that the Canadian government should relax its controls on this segment of the transport industry.

Recent statistics and studies have shown that since U.S. Federal authorities relaxed their hold over regulations concerning air travel, the industry has moved forward at an impressive pace. Not only have the airline companies shown increased profits but consumers have also benefited, as increased competition has brought down air fares.

Many people have expressed concern in recent months over a number of aspects of the airline business in Canada, according to Scott.

"It seems strange that in some cases individuals can travel to Europe more cheaply than they can travel across their own country," he said.

Other airline users have protested the confusion resulting from various rate structures and fare schedules. In some cases four or five separate fares could apply to individuals using the same flight. Scott says he

feels that less government interference in this mode of transportation would benefit all concerned.

The Honourable, Otto Lang, Minister of Transport, said in reply to Scott's queries that the Canadian Transport Commission has been encouraged to look at flexible approaches relative to charter fares. "A good number of rules have been relaxed"

Lang said. Scott said a further study is presently being analyzed to show more specifically those benefits which have accrued as a result of deregulation south of the border. The local member indicates that he will be keeping an eye on the situation in order to press for further action which will benefit the Canadian travelling public.

Haliburton Midgets stay even in Cannington playoff series

Haliburton Midgets split a pair of games in their playoff series with Cannington last week. In a game Saturday in Haliburton, the Midgets were helped by

weak goaltending on Cannington's part, and came out ahead in the game 7-0.

Haliburton and Cannington traded games last week in the first of their playoff series. Both games were marked by rough play and dozens of minutes in penalties.

Haliburton opened the scoring in Cannington last Wednesday with a goal by Butch Manary at 9:54, from Doug Tallman and Tony Scheffee.

Cannington came back to tie it up at 3:28.

In the second period it was Mike Rae from Don Thompson at the 13:05 mark. Cannington tied it up at the 9:00 minute mark, but Haliburton went ahead again when Ben Mathews scored the first of three at 7:54 from Tallman and Scheffee.

Cannington tallied two quick ones, at 4:32 and 3:53 to go ahead.

Haliburton tied it up again at 12:02 of the third when Ben Mathews got his second of the contest, from Scheffee and Rob Abbs.

It was Cannington again at 11:35, 9:35, and 9:16 to go ahead.

Haliburton fought back with two more goals. Mathews third from Roger Hicks and Butch Manary at 6:13, and Dave Dodd from Brian Lloyd and Mike Rae at 4:07, but it wasn't enough for the victory.

Cannington sat out a total of 30 minutes in penalties, while Haliburton had a total of 18 minutes.

Final score was Cannington 7, Haliburton 6.

On Saturday, February 3, Cannington travelled to Haliburton for the second meeting in their playoff series, but this time the results were different, due to solid offensive play from Haliburton, and some weak goaltending on Cannington's part.

In the first period it was Brian Lloyd from Dave Dodd and Ed Davis at 14:11, and Lloyd again at 11:18 from Ben Mathews and Davis.

In the second period, it was

Roger Hicks unassisted at 14:07 for the only goal of the period.

Play began to get rough in the second period, but the referees were determined to keep control of the proceedings, and the result was a total of 18 penalties in the period. Both boxes were full for most of the period, with five Haliburton players and four Cannington players off the ice at the same time at one

point during the period.

The start of the third period was delayed by several minutes as referees and the timekeeper tried to sort out penalties and times, but when the game finally did get underway, it was Haliburton again dominating the proceedings.

Roger Hicks scored unassisted at 14:07. Don Thompson scored, also unassisted, at 6:49, and then it was Mike

Rae from Thompson and Mathews at 3:19.

Butch Manary rounded out the scoring for Jim Lee and Tony Scheffee with just 42 seconds left to play.

Haliburton was excellent defensively in the game, and goalie Dave Elstone came up with a well deserved shutout.

Final score was Haliburton 7, Cannington 0, leaving the series tied at one game apiece.

Hard shooting helped Midgets to victory

Haliburton Atoms take Oakwood 5 to 1 in game at Dysart arena

It was Haliburton all the way, Saturday, when the OMHA Atoms took on Oakwood at the Dysart arena.

Haliburton got off to a good start at the 5:11 mark of the first period, when Tran LaRue scored, assisted by Cory McKnight.

During second period action Mike Blake of Haliburton scored assisted by Geoff

Boice and Tony Hartin, at the 2:26 mark. Haliburton started the third period off well with Jeff Walker scoring at 9:26 assisted by Tony Hartin and Mike Blake.

Haliburton's shutout was spoiled at the 7:04 mark when Oakwood scored their first and only goal of the evening off the stick of Tim Twohey assisted by Jeff Pearson and

Darren Sharpe. Haliburton's Tran LaRue scored again at the 4:24 mark assisted by Darryl Tunall and Paul Kuno.

With three minutes remaining Haliburton scored their last goal of the evening when Jeff Walker banged one in, assisted by Tony Hartin and Eion Finn.

Final score was Haliburton 5, Oakwood 1.

Pee Wees go ahead in best of five series

Haliburton Pee Wees took a pair of games from Cannington last week to go ahead two games to none in their best of five playoff series.

Tuesday the Haliburton team travelled to Cannington, and in a low scoring, tight checking game, outpointed their opponents through three periods.

Neither team got on the scoreboard in the first period, with Cannington putting the first one in the net at 1:41 of the second.

From then on it was all Haliburton, as Charles Teljeur put one in at 2:23,

assisted by Vince Duchene, and Kelly Mitchell scored at 3:26, assisted by Jeff Bain and Mike MacNaull.

In the third period, it was Kelly Mitchell banging in his second at the 3:51 mark, to round out the scoring. Assist on the goal went to Barry Boice.

Final score was Haliburton 3, Cannington 1.

The teams met again in Haliburton Friday night, and once again it was Haliburton putting constant pressure on Cannington's goaltender.

Haliburton scored three in

Pee Wee player heads for the goal

SCORESHEET

Tri-County Atom, played at Haliburton on February 3, Cannington vs. Haliburton Atoms No. 1.

First period: No scoring, no penalties.

Second period: Haliburton scored two goals in this period as Eoin Ross netted one with assists going to Rob Thibadeau and Jim Dodd at the 8:10 mark and then at the 1:10 mark Jim Dodd scored with assists going to Eoin Ross and Jeff Chambers. There was one penalty to Cannington.

Third period: Two more unanswered goals were scored by the Haliburton Atoms No. 1 team, one at the 7:18 mark by Barry Scully assisted by Eoin Ross and Jim Dodd and at the end of the game with 42 seconds left Eoin Ross counted his second goal of the contest with assists going to Darryl Goodall and Rob Thibadeau.

Final score: Haliburton No. 1 Atoms 4, Cannington 0.

Tri-County Bantam, played at Minden on February 2, Minden vs. Haliburton.

First period: Haliburton scored at the 54 second mark, when Anthony VanLieshout scored, assisted by Dean Curry. The rest of the period was all Minden with Craig Coneybeare netting on at 5:46, assisted by Paul Walker and John Dillon, and Paul Silvers banging one in at 6:37, assisted by Rick McGee. Minden had three penalties in the period to Haliburton's one.

Second period: Minden scored five unanswered goals in the period to move ahead 7-1.

Rick McGee scored unassisted at 1:43. Paul Silvers got the next goal, also unassisted, at 3:11. Just 20 seconds later, Larry Miscio connected, assisted by Louie Reynolds and Rick McGee. David Stribling got his first of the game at 6:44, assisted by Rick McGee and Louie Reynolds. Paul Silvers rounded out the period for Minden with a goal at the 9:23 mark, assisted by Brent Anderson.

Minden had three penalties, while Haliburton served five.

Third period: It was again Minden all the way in the period, with goals coming at the 2:33 mark off the stick of Craig Coneybeare unassisted; at 7:36 by Coneybeare again, assisted by Rick McGee and Paul Silvers, and at 13:44 when David Stribling scored unassisted.

Haliburton had three penalties in the period, while Minden had four.

Final score was Minden 10, Haliburton 1.

Haliburton met Sunderland, February 3 in Sunderland in a four point game.

Haliburton scored two unanswered goals in the period, at 1:30 by Dwayne Giles unassisted, and at 8:19 by Anthony VanLieshout, assisted by John Teljeur.

Each team had one penalty in the period.

Second period: Sunderland got the only goal of the period, at the 40 second mark. Haliburton had the only penalty of the period.

Third period: Sunderland scored at 1:01, and at 2:00 minutes before Haliburton's Danny Johnson could reply at 4:49, assisted by Dwayne Giles. Sunderland scored twice more in the period, at 6:29 and at 12:38.

Sunderland had three penalties to Haliburton's one.

Final score was Sunderland 5, Haliburton 3.

Haliburton met Beaverton February 3 in Beaverton, and were unable to get on the scoreboard.

First period: Beaverton scored the only goal of the period, at 44 seconds.

Beaverton had two penalties while Haliburton had none.

Second period: Beaverton got two more in the period, at 2:22 and at 5:25.

Beaverton had the only penalty of the period.

Third period: Beaverton scored three more goals, at 9:25, 10:06, and 14:34. Haliburton had five penalties to Beaverton's three.

Final score was Beaverton 6, Haliburton 0.

Haliburton rinks win 'A', 'B' events in weekend Highland Mixed Bonspiel

by Linda Beachli

The Haliburton Curling Club held its annual Highland Mixed Bonspiel this weekend with rinks participating from Lindsay, Peterborough, Dwight, Kitchener, Mississauga, Huntsville, Guelph, Napanee, Elora, Sudbury, Minden, as well as local rinks from Haliburton.

The "A" event sponsored by Carnarvon Building Supplies, was won by the Haliburton rink of Bob Collier with Linda Collins as vice,

Rick Elstone as second and Jean Collier as lead. Placing second in the "A" event was Al Badley and his wife Dorothy with Doug and Wilma Schwindt from Kitchener. Placing third in the A event was Bob MacNaull and his wife Ann with Jim and Arlene Scheffee, from Haliburton.

The "B" event, sponsored by I.G.A., was won by Steve Collier, Karen O'Connor, Mike Cummings and Laurie Burk. Placing second in the B event was Raymond Scott

with his wife Bernice and Jack and Linda Brohm. Placing third was Joe Iles' rink with Sheila Poppel as vice and Don Poppel and Jean Iles.

The "C" event sponsored by Boice Motors was won by Frank Cook's rink from Guelph with his wife Marg, also Phyllis and Baron Pritchard. Placing second in the C event was Alex Millar from Minden with his wife Bev, also Patty and Paul Prentice. Placing third in the C event was Derry Wilford from Napanee with his wife Marg and Russell and Phyllis Woodcock.

The A event trophies were hand crafted by Carole McLean and were greatly admired by all. She also made several of the prizes along with Barbara Peel and the out of town rinks greatly appreciated taking home local made pottery.

Many thanks goes to Laura Carnarvon for the fine meal on Saturday and those who so willingly helped to make this special event a success.

Thanks also go to the sponsors and to the following people who donated to the club: Dawson and Gray C.A., Haliburton Lumber, Stedman's, John Beachli Construction Enterprises Ltd., Elstone Construction, Haliburton Pharmacy, Emmerson Lumber, Barbara Peel, Carole McLean, Dawson Insurance, Northern Ways Transit Ltd., R.J. Brohm Real Estate, Good Medical Clinic.

It is this kind of effort and support that brings 24 rinks together in Haliburton for a great time and keen competition. Hope to see you all again next year.

The "C" event sponsored by Boice Motors was won by Frank Cook's rink from Guelph. His wife Marg, and Phyllis and Baron Pritchard were his rink mates.

The "B" event sponsored by Haliburton I.G.A. was won by Steve Collier, Karen O'Connor, Mike Cummings and Laurie Burk.

The "A" event of the Highland Mixed Bonspiel was won by a rink from Haliburton. Bob Collier's rink of Linda Collins, Rick Elstone and Jean Collier, took home the Carnarvon Building Supplies Trophy and prizes.

Curling Club

by Art Dawson

This past Wednesday saw four rinks from Haliburton Rotary Club journey to Fenelon Falls to participate in the annual Fenelon Falls Rotary Bonspiel. We were certainly well represented as two of the teams brought home prizes.

Murray Kuno and his rink of Rick Elstone, Curry Bishop and Bob Morrow placed second overall winning all three games. John Beachli and his

rink of Scotty LaRue, Art Dawson and Paul Wilson won two out of three games and placed third overall. Congratulations fellows!

Bob MacNaull and his rink of Lester Walling, John Wilson and Mike Stinson were also two game winners, but placed out of the money in total points. They were helped by some excellent curling by the veteran Lester Walling.

The fourth rink placed well

out of the money and has been playing such a low profile that no one is certain who played on it.

Service clubs in the area will have another opportunity to meet on the curling rinks again on Wednesday, March 7 as Haliburton hosts the annual Jack Robertson Memorial Bonspiel. Chairman for this event is Joe Iles and any service clubs in the area wishing to enter a team should contact Joe at 457-2100.

Bantams lose two games to superior Cannington team

The Haliburton O.M.H.A. Bantams have run up against a superior Cannington team in their best of five playoff

series and have been soundly beaten 9 - 1 and 6 - 1 respectively in their first two games. The goal scorers for

were: Lil's Teddy Bears, 162; Iris's Super Sports, 143; Susan's Sizzlers, 132; Kay's Tigers, 123; Joan's All Stars, 93; and Eva's Terrors, 78.

After the series is over, a round robin series will take place for the Consolation Championship of the league.

Correction

In a report of the Alcide Carpentier Memorial Hockey Tournament that appeared in last week's Echo, it was incorrectly stated that Scott Yake scored the third and final goal in a shootout with Hillcrest to lead Minden to the championship of the tournament. In fact, it was Greg Newell who scored the final goal and became the player of the day for the Minden Monarchs. The Echo regrets the error.

Thursdays ladies bowling

High triples went to Iris Taylor and Ann Baker in Thursday ladies bowling action in Carnarvon last week. Iris Taylor rolled games of 304, 235, and 228 for a triple score of 767. Ann Baker rolled a 227 and a 218 on her way to a 641 triple.

Others who rolled single games over 200 were: Lil Goveatt, 233, 204; Freida Colman, 243; Jean Carr, 216; Peggy Brown, 213; Audrey Fountain, 209; Florence Taylor, 203; and Joyce Pennick, 200.

Standings as of last week

Pee Wees

from page 6

the first period, at 5:28 when Charles Teljeur put one in, assisted by Mike MacNaull and Kelly Mitchell, at 9:40 from Bernie Upton assisted by Harold Rowbotham and Barry Boice, and at 12:06 when Upton scored again, this time unassisted.

Cannington's only goal of the period came at the 13:06 mark.

In the second period, Haliburton again scored three before Cannington could reply. Kelly Mitchell put one in at 3:26, assisted by Charles Teljeur. Bernie Upton got his third of the game at 4:26, assisted by Rick Barnum. It was Harold Rowbotham at 5:59, assisted by Kelly Mitchell and Mike MacNaull.

Cannington got on the scoreboard again at 11:30, but Haliburton replied again with a minute and 32 seconds left to go in the period, when Chris LaPorte scored unassisted.

Final score was Haliburton 7, Cannington 3.

Kinmount Klippings

by Fran Crawford

Hi folks. Well, we have had some nice weather between snow storms. Oh well, another six weeks and we'll have it beat.

George and Rica Anderson and Norm and Ruby Graham have arrived back from a very enjoyable weekend at North Bay.

The Merle Gramahs and the Joe Fecht families of Irontale have arrived home from their two weeks in Florida.

I see Mr. and Mrs. Steve Hancock are home from a vacation too.

Master Michael Simmons is in hospital at Haliburton and will be home sometime this week if all is well.

Mr. Murray Simmons had a bit of a mishap while snowmobiling. The ambulance took him to Minden Hospital and he was taken care of and sent home to recuperate as there was no room at the hospital for him to stay.

Mr. Sam Telford is a little under the weather with the cold. Stay in and keep warm, Sam.

I hear Mr. Max Hancock of Irontale has the cast off from

when he broke his ankle.

Mr. Don Williams of Davis Lake, owner of the new complex in town and Mr. Tom Wilson of Wilson Electric and Floor Coverings will be on hand at the grand opening of Saturday, February 10, at 11 a.m. The building consists of two and one bedroom apartments to rent, a laundromat which has six regular washers plus two double load washers and four large commercial size dryers. The Wilson Electric and Floor Coverings are in the other half, which features electrical contracting with four years experience - one year in floors - carpets, vinyl, tile, ceramic for bathrooms. Complete installation, all famous brands like Armstrong, Burlington, Harding, Statesman and Domco. M.P. Bill Scott will be cutting the ribbon and there will be free coffee and 10 percent off all store merchandise that day.

Winner of the 50-50 draw at Legion Branch 441 on Saturday was Nan Matheson of Cobocook for \$20.75.

VI Willard won the \$20.00 hockey pool.

I hear, Bill Powell of

Irontale had a winning Winter for \$1,000.00 bought from me. Ted Hartin - 1 book of tickets and Ed Pritchard of Ed's Taxi, Minden, a book too. Our turn is coming.

The "Country Rollers" are playing for the Valentine Dance at the Royal Canadian Legion Branch 441 on Saturday, February 10. Pick up your best girl and come out and shake a leg.

The bingo jackpot still didn't go on Friday. This week will be 60 numbers for a \$200.00 pot.

Verna Crego won \$105.00 at Cobocook bingo last week. Lucky you.

Our hockey team are back in the winners again. They beat the Rockcliffe 9 - 8 on Thursday night.

When using the phone make sure you put your finger in the right hole or you may get "Bunt Rogers". I did.

Mrs. Elizabeth Miles spent a few days in hospital at Peter

Mrs. Elizabeth Miles spent a few days in hospital at Peterborough last week. She's home now waiting patiently for spring.

Drive carefully. Keep shovelling. See you next week.

Chatting with Irene

by Irene Moore

My left handed dictionary

says "Winter - the season when we try to keep the house as hot as it was in summer, when we complained about the heat". How true that saying is. I'm always glad to see February arrive, first because it is a short month, secondly once it is here, there is only March left of the really bad months, and we can start thinking of spring, even if it does not seem like spring. As I sit here the sun is warm on my back, and have you noticed the days are starting to get longer? It was 5 p.m. when we turned on the kitchen light yesterday to start the evening meal, and in the morning it is daylight when one gets up. By that I do not mean you to think I do not get up until 9 a.m. for old habits die hard and am used to getting up about 7 - 7:30 a.m. and still do.

Bob MacBrien, son Paul and Elvin Johnson have been in Ecuador for the past few weeks, and will be there for a while yet.

Winner of the L.O.B.A. card party last week were: euche, lone hand - Trudy Coulter, on a cut; Florence Robinson, Vera Ward, Lyman Cox, George Hewitt. Don't forget these card parties are the last Monday of each month.

Mr. and Mrs. M.J. O'Neill left on the weekend for a holiday in the south.

Don't forget that basketball is being played every Tuesday evening at the Archie Stouffer School at 7 p.m. For more information call 286-2039.

Bradley Robinson of London spent the weekend with his parents Mr. and Mrs. Phil Robinson.

The Martha Group of Minden U.C.W. will hold their meeting at the United Church Hall on Monday, February 12 at 8 p.m. Come out and join them at their meeting.

Mr. and Mrs. Gordon Monk and family are leaving this week for a holiday of one week in Jamaica. Hope they come back rested and tanned.

Minden Minor Hockey have tickets on sale for a micro wave oven and stand. These tickets may be bought from any of the executive, or at the arena during hockey games.

Don't forget Family Film night at Beaver Theatre on Thursday, February 15, 7 p.m. Any Brownie mother will sell you a ticket or call 286-1106.

My, things are quiet in town. It has always been said that we rest in the summer,

but I think we are resting now as well.

It being Valentine's Day next week, I thought a recipe for that occasion would be nice. This one has only 125 calories in it, and is called Cupids Pink Cloud: 1 (2 oz.) pkg. dessert topping mix; few drops red food colouring; 2½ cups sliced, unsweetened strawberries; 2½ cups diet pineapple chunks, drained. Prepare the dessert topping mix as directed. Tint pale pink with red food colouring. Fold in strawberries and pineapple; chill; stir before serving; (if too thick add a little milk), trim with strawberries. Makes 8 servings.

Mr. and Mrs. Alan Bryd-

son and family of Bracebridge spent the weekend with Mr. and Mrs. Earl Bird, and on Saturday all came to the Wm. Moores for a family get together.

I sure hope that the students from the high school who spent a few days at Quebec Winter Carnival had a good time. When Sunday was so bad I wondered how the trip home would be. I've just heard that they were only a bit late getting back to Haliburton, and enjoyed the trip, only it was too short a time.

Winners at the Thursday Mini Card Party were: bridge - Dianne Warnes; cribbage -

Winter has been in full force this past week causing problems with hydro and roofs caving in on cottages.

Sorry to hear Mr. Bruce Dewey was in Haliburton hospital last week, also, Mrs. Len Milburn. Hope they get well quickly.

Sorry Mr. Oswald Hunter is having his turn on the crutches. Next time be more careful in those skates and you be real careful Sharon!

The community is saddened to hear that Mr. Art Switzer passed away on Saturday.

Mr. and Mrs. Bill Peacock visited Mr. and Mrs. Grenville Graham on the weekend. Mrs. Cora Switzer was visiting her daughter Velma

Gooderham News

By Velma MacDuff

MacDuff and family on the weekend.

The Glamorgan Senior Citizens Club met on Wednesday, January 24 in the Gooderham Fire Hall. After a lunch consisting of sandwiches, cake, coffee or tea, Jean Robertson wearing the

Haliburton plaid, gave an interesting and informative talk on Scottish dancing. Following this she played music used in these dances. While she demonstrated the steps used in the reels, strathspeys, etc., all were fascinated by her grace. She has kindly volunteered to give lessons in Scottish dancing at the club meetings. It is hoped to have some of these lessons at the next meeting, as well as

lessons from our artist, Jean Frazer. So a stimulating and social time is anticipated at the next meeting on January 31, 1979 with lunch at 12:30. The membership has now already reached 34. Come and enjoy the activities and fun.

Congratulations to Mrs. Vera Reil who won the jackpot at the Highland Grove bingo last Tuesday night.

The birthday girls this week were Mrs. Anne Franke and Miss Lynn Graham.

Maple Lake News

by Elaine Barjarow

Mr. Irish's class (grade eight) spent a day at the Frost Centre last week. They had lunch there and did some snowshoeing, also, learned how to use a compass. They all reported having a good time.

Glen Lee and his fiancée, Carole Hunter of Toronto spent Thursday and Friday with his parents, Bert and Pearl Lee.

It was with great shock and sorrow that we heard of the death of Ralph Joyce in Mexico. We send our deepest sympathy to all his friends and relatives.

Claude and Bernice Fader of Lindsay spent the weekend with her parents, Earl and Merle Redner. While here they visited with Joan and Basle Cooper of West Guilford, also Charlie and Grace Morrison.

Val and Cheryl Redner of Gravenhurst and family vis-

ited Earl and Merle Redner on Saturday.

David Fader of Ottawa spent the weekend with Earl and Merle Redner.

Larry and Kathy Castle and girls spent the weekend with us. They left early Sunday morning and reported the roads very slippery with fresh snow all the way home.

Jim and Wendy Fielding of Toronto visited Neilson and Sheila Griffin on Saturday and Sunday, then went to her parents, Eldon and Elsie Sibley of Tory Hill.

Bob Merideth was up to his cottage for the weekend.

George and Lillian Hill of Bobcaygeon called on Sunday for a visit with Blanche Barry and Harold and Evelyn Barjarow, also Frank and Elaine Barjarow.

Frank and Dianne Butson and family spent the weekend with her parents Bert and Pearl Lee.

Extendicare News

by Dr. W. O. Anderson

It is a bit hum drum after the hustle and bustle here at the Christmas festivities. There is not much plant propagation except rooting a few cuttings. The Angel wing given to us by Mrs. Betty Wise as a cutting is now quite a cute plant with the old big leaf and three new ones quite attractive. The seed harvesting of our own so far, after sowing pansies, showed sparse growth but we have a half dozen healthy seedlings already. The same happened with petunias and mignonette. We were given a nice begonia Christmas week, do not identified, which is a very beautiful little plant blooming profusely ever since. The poinsettias that came to the various identities here, staff etc., are just as beautiful as when they arrived. We have cared for them a little differently this year deliberately overwatering, besides a little fertilizing.

Now and then we hear of these indexed pensions of our members of parliament and senior civil servants that they voted unanimously to themselves, costing the beneficiary about eight percent of the face value; the balance of the cost to be met by committing of today and into an infinite future. There is no doubt in our minds that it is the opinion of diminutive Canadians that this was an exceedingly unreasonable caper by all parliamentarians and senior civil service employees. If we are wrong we invite persons concerned to put us right, rather than resort to the now familiar Canadian gag laws.

Bingo was held as usual Tuesday afternoon with lots of enthusiasm. Mrs. Dorothy Davidson, Mrs. Kel Anderson, Mrs. Betty Wise, Mrs. Dorothy Iles and Mrs. Velma Stringer were our scrutineers, Jake Gill Calling. We enjoy it, especially if we win. That means a prize, a chocolate bar, or a banana, or an apple or orange, or various others, and we have a choice until it diminishes as the game proceeds.

Mrs. June Devolin con-

ducted another Bible study group again Wednesday afternoon with some interesting discussion and included the reading of the new version of the Lord's prayer. Scripture activity has taken on a much greater impetus these last few years. Pursuant to this study group, Mrs. Devolin described the plight of our native Canadians incorrectly called Indians, in the North West territories who receive intoxicating liquor by the plane load to keep them sozzled. This is said to be legal, that is, it is the law. Mr. Trudeau may say regarding these natives, "It is their choice," and "furthermore we can do nothing". There is a saying, Mr. Trudeau: "Where there is a will there is a way".

We have a new nurse coming on duty. Wednesday evening Mrs. Gail Mosgrove, R.N., will keep vigil while we sleep. No doubt she will be a good disciplinarian as well. Everyone try not to snore.

Our latest jigsaw puzzle is a big one of 1,000 pieces, measuring 26" x 18" when complete. As yet we have an estimated 200 pieces in place, but every day sees a few more added. It will be interesting to keep you informed.

Still another nurse is added to our nursing staff. Mrs. Shirley Rydman, R.N., was taken on duty Thursday morning. With all of these special nurses to care for us we in our turn should get well very soon.

The Happy Gang was sorry to hear that a good friend of ours, Mr. Frank McIntyre, is very sick in a Peterborough hospital. If prayers can help we will do our best. Our friends are precious.

Our spiritual leader for the devotional period Friday morning was Rev. Don Nicholson of the Haliburton United Church, Mrs. Flossie Burk pianist. "The way of love" was an apt subject to show that love is patient and kind, never jealous, boastful, haughty, selfish, rude or demands its own way, and always rejoices when truth wins out. Love goes on

forever. Mary Currah poured the tea and coffee and served the cookies for our usual after service snack. Rev. Nicholson is quite a witty conversationalist.

In the afternoon were our movies; The first, Mary Thomas "Pair of moccasins" of beads and/or crimped porcupine quills, to the finished footwear. This film pointed out that it was not needed to kill the porcupine, the native Canadian boys only had to take their shirts off and drape them over the creature to get all the quills needed. The second, "What price beauty" was right along our precinct, showing floral beauty in abundance from an Ottawa flower show. The third called "What price freedom", actually showed the routine life in a maximum security Canadian penitentiary.

Let us forget, it has been suggested that we review the bounteous gifts we received over the Christmas recess and at the same time acknowledge the Anglican Church Women, the United Church Women, the Baptist Ladies Group, Lochlin United Church Women, Ingoldsby United Church Women, Salvation Army Ladies, Eagle Lake Womens Group, West Guilford Anglican Church Women, Fort Irwin Ladies Group, Haliburton Full Gospel Ladies, Haliburton Full Gospel Businessmen who played traditional Santa Claus and filled our stockings representing a heartfelt gesture from all of you to all of us. Thanks.

Mary Currah had a nice visit and chat from a good friend of ours, Mrs. Blanche Long Friday afternoon. Mrs. Long regards Mary as having been a nice Samaritan to her late mother Mrs. Olive Armstrong for the year or more before her death.

MAHAFFY UPHOLSTERY & INTERIORS

A WORD OF ADVICE

GONE ARE THE DAYS when most manufacturers of Upholstered furniture used quality fabrics and nothing but the best of foam cushions or quality type padding. Today a percentage of manufacturers use cheap material which are the latest in design but you are fortunate if the material doesn't wear out before 2 or 3 years whereas a few years ago the fabrics they used were meant for 10 or 20 years of wear. Today a percentage of foam used is commonly known as (poly foam) a soft urthane plastic which after a certain amount of use often flattens out but doesn't retract. Today furniture of almost all periods and designs is not built for comfort but for design and appearance only. After you've bought if you wish you had had your old furniture back.

IF YOU HAVE GONE all through this or paid fantastic sums for your furniture and had it last only a few short years (call us) and we will show you lovely fabrics that will last for years. We'll rebuild, repad and reupholster your furniture to the comfort you used to know, use the best of foam, and guarantee all workmanship for five years. In other words we will custom make your furniture over for you and still below the cost of new furniture.

A Touch of Love on
VALENTINE'S DAY

Norland Notebook

by Barbara Maunder

Norland had an unexpected visitor on Monday, January 29, when a young deer was seen running east along the driveway beside the United Church. It crossed the highway and ran behind the homes of Mrs. McGinnis and George Bryant, jumped into the river near the post office and swam to the south end of the park and out again onto Highway 503 east and disappeared down the bank near the dam and into the bushland there. When first observed, the deer was being chased by a dog but it gave up soon after the dog was seen in Norland. With so much deep snow and dog getting harder to find, the deer is travelling farther afield to find nourishment. Three of them were seen on Friday, January 26 in the swampy area on Highway 503 west of Norland.

Jesse and Hilda Buxey left on Thursday for a six week trip to Great Britain to visit relatives and friends in Birmingham, Sussex, Kent, Cornwall and Edinburgh. Before leaving, the Buxeys asked me to convey to the people of Norland their thanks for the kind reception given to them since they moved here last June. They have made many friends and are active in the community and most pleased to be living here. A feather in everyone's cap!

Russell Harman, a long time resident of Norland passed away on Tuesday, January 30. He leaves his wife, Eileen of Lindsay and son, Raymond. The circumstances of Russ's death can only be surmised. He lived alone in a cabin behind the property of Alvin Gostlin's on Hilton Point Road and as near as can be determined, some time late Monday, January 29 or early Tuesday, he locked himself out of his cabin and went to the Gostlin Home for assistance. Since no one was home, it is not known whether he had a heart attack and fell into the glass of the door or he tried to break the glass to get into the house out of the freezing cold and then suffered a heart attack. In any event, his body was found at the door by Roger Gostlin on Tuesday morning and an autopsy revealed that he died from heart seizure and blood loss.

His burial was on February 1 from the Bryant-Cameron Funeral Home, Coboconk and interment in Pine Grove Cemetery, Norland. On Tuesday, February 13, Norland Horticultural Society is sponsoring an Open House for all to view slides of Great Britain taken and presented by Mr. and Mrs. Ed White of Coboconk. The place is Norland Community Hall at 8:00 p.m. with refreshments served afterwards.

Plans are starting to materialize for this year's Victoria County Festival of the Arts to be held from May 25 to June 3. Miss Doris Winchester, former deputy-revee of Somerville Township is the representative for the Coboconk-Norland area and members of the committee are Mrs. Jean Barkwell, Mrs. Chris Kerr, Mrs. Jean Neath, Mrs. Doris Black, Mr. Fred Hill, Mrs. Gertie Crichton, and Mrs. Barbara Maunder with others to be added. Further details later.

After two weeks of poor Wednesday night driving weather, the Norland Bowling Club finally completed the ninth game of series 2 on January 31. Winners of this series was the team of Lois McLean, Marj Lee, Jesse Buxey, Mike McAllister, and John Beachli - 40 pts.

Other standings of teams were N. Chynoweth - 39 pts. B. Maunder 37 pts., K. Watson and B. Davey 31 pts., T. Watson 29 pts., L. Jewell 26 pts., and D. Boyce 19 pts. Ladies high single and triple Betty Davey - 228, 608 and Nelly Chynoweth, high average 189. Men's high single - John Beachli 236; high triple - Lyle Jewell 606 and high average - Harry Smith - 197. One more series of 9 games plus three weeks of playoffs completes the season.

Remember that on Friday, February 16, the Ladies Auxiliary of the firemen have planned a family and community dance at the Norland Community hall from 8:00 to 12:00 p.m. to which all are invited. The admission is free and music will be supplied by records and tapes. Plan to come and join neighbours and friends for this fun family party together.

Marianne Moore of Woodville, Bride-to-be of Ken Bartley was pleasantly surprised by a shower for her at the Norland Community Hall on Saturday, February 3. Hostesses for the party were Lorie, Linda, and Brenda Bartley who are cousins of Ken, son of Earl and Doris Bartley. The wedding is to take place on Saturday, February 17.

The next meeting of the Second Venture Handcraft and Recycling group will be on Wednesday, February 14 in the community hall starting at 10:00 a.m. until 3:00 p.m. All interested craft people are invited to join in and share ideas and projects.

Lucky winner of the Firemen's Hockey Pool on Saturday, January 27 was John Magee.

Rub vaseline on door hinges before painting the door and any paint spots will rub off easily afterwards. The styrofoam meat and produce containers make good paint trays to hold paint cans and brushes when painting.

Age is the top of a mountain high
Rare the air and blue;
A long, hard climb -
A bit of fatigue -
But Oh!
What a wonderful view!

Carnarvon News

by Yvonne Penney

Members of the 1st Carnarvon Brownie Pack attended a pyjama party at the home of the Tawny Owl, Diane Thomas, last Friday night. After a few hours' sleep, the Brownies were out tobogganing and playing in the snow. At noon, they enjoyed hot dogs and marshmallows cooked over a fire. The weatherman cooperated with a beautiful sunny day to make it a very successful overnight. Our thanks to Mr. and Mrs. Bud Thomas for opening their home to us.

This morning, I have a few aches as a result of my 100 kilometre snowmobile ride yesterday. Apparently, there were 105 riders out of Minden and 80 out of Haliburton for the 5th Annual Whipper Watson Snowarama. I was in a group of 10 machines. There were 11 riders in our group; the Howe clan, the Stewart clan, myself and three visitors from Bolton, Wayne Sunley and Mr. and Mrs. E.G. (Curly) Stewart. On our return to Minden. Curly

Stewart was presented with a trophy for having the most money pledged among the riders out of Minden. His completion of the trip resulted in a thousand dollar donation to crippled children. A salute to this 65 year old man who also plans to ride his Polaris in the Barrie Snowarama which will be run next Sunday.

We left Minden at 8:45 a.m. and returned about 2:30 in the afternoon. We enjoyed some excellent chili at the high school in Haliburton at lunch time. This event was well organized and the one part I object to is running on roads where there is a fair amount of traffic such as the Harburn Road into Haliburton. I have been accused of holding everyone up as I drive slower than most but how else

can you appreciate the beauty of nature along the trails? Anyway, I completed the trip and would like to thank all those who pledged their support. My pledge sheet showed an amount of \$110.

I travel the highway from Carnarvon to Minden frequently each week and would say a word of congratulations to Wayne Toye and his crew from the Ministry of Transportation and Communications for keeping Highway 35 in such great shape this winter.

Mr. and Mrs. Jack Gregory and Mr. and Mrs. Hal Burton left last week for a winter holiday in Florida. Mr. and Mrs. Les Clark are also enjoying the sunny south. Mildred Archer will spend the next month in London

Wilberforce News

by Winnie Schofield

The Legion Hall of Wilberforce Branch 624 is becoming the most popular spot for social gatherings. Harry Jones provided the latest evening of entertainment when he arranged a dinner for his associates who had hunted with him last fall and also for his fishermen. Harry runs Park Cottages and owns several fish huts located on Dark and Grace Lakes.

There were six musicians present and one of them was said to have had a very fine voice that greatly pleased the audience. It always seems to be somebody's birthday and this night it was Mike Clancy so that called for further celebration. Over 100 enjoyed the evening. Some folks came from as far away as Bowmanville and Oshawa. The Legion is a warm and friendly place to be.

It just doesn't seem right to have Mr. and Mrs. Charlie Bowen away from their home. We hear that Charlie is doing fairly well at his new home in Extincicare in Haliburton.

Mrs. Bowen is spending the winter with her daughter Iris and her husband in Harcourt. We will all be pleased to welcome her back in the spring.

Winters are so difficult for older people. Having to cope with snow, ice and power failures is just too much. Winter apartments close to the shopping centre would be of benefit to our elderly.

The Tolly Hill Recreation Committee is sponsoring a great Valentine Dance to be held February 10 at the Lloyd Watson Memorial Centre. A well planned evening includes music by Marg Graham and the Westernaires, starting at 9 p.m. Admission is just \$3.00 a person.

We have lost one of our earliest pioneers in the person of Mrs. Mamie Fleming who was in her ninety-fourth year. She and her late husband, Art, raised a family and learned to cope with the problems of the twenties and thirties. At this time lack of

communication with other communities and very little transportation resulted in a close relationship with neighbours. Mr. and Mrs. Fleming are still remembered for their genial hospitality and for the impromptu dances held at their home. Mrs. Fleming was a resident of the Hyland Crest Home.

We are looking forward to some exciting exhibition hockey games when the Wilberforce midgets tackle a team from Agincourt on Saturday, February 10 at 2 p.m. Come out and enjoy the game. Tickets are just \$1.00 for adults, children under six, free admission. The second game follows on Sunday at 11 a.m. The Sunday game is free. A big cheer is in order for our novice team who have earned top place in their division.

Coming up on February 10 is a box social and dance to be held at the Legion Hall. Come and enjoy a fine evening with your comrades and friends. Music is presented by Margie and her Country Gentlemen.

West Guilford News

by Jackie Barry

Winner at the euchre party held at the community centre last week were: ladies high, Loretta Henderson; ladies low, Ev Stata; men's high, Wes Stata; men's low, Frank Howe; most lone hands, Frank Taylor; and door prize, Ted Duncan. The next card party will be on March 1.

Mr. and Mrs. Jack Hamilton of Toronto, were up to shovel their cottage roof on Saturday.

Mrs. Bessey Sims is still in hospital in Toronto. Sincere sympathy is extended to the family of Ralph Joyce, who passed away in Mexico last week.

Although they didn't win any prizes, congratulations go out to Jean Carr and Flo Henderson and Kay Barry and Donna McDermott, for their good showing at a bowling tournament in Oshawa on Sunday. Out of 47 couples, these ladies placed 11 and 12 respectively.

Legion News

The monthly general meeting of Branch 129, Royal Canadian Legion was held in the hall on Thursday February 1 with president Mel Robertson in the chair. There were 26 members present.

Two ordinary members were accepted and one fraternal. Theodore Hillings (Ord) was initiated. Comrade Myles Maughan was made an honorary member in recognition of the work he has done on behalf of the branch. Congratulations Myles.

Minutes of the last general

meeting, the last executive meeting and a special executive meeting were read and approved. Comrade Andy Curry is in the Red Cross Hospital and is progressing favourably and Comrade Bill Foote is due to return to hospital shortly. Duncan McLean returned home from hospital in Peterborough and Keith Sisson is also at home.

The building committee had its final meeting with the building contractor on January 31. There are a few details yet to be attended to before the building is finally

completed. The branch is planning to hold Open House on Saturday, March 10. Invitations have been sent to all the other branches in Zone F4 and more details will be available in the near future. The annual Scout and Cub Father and Son banquet will be held on Monday, February 19. This is the 25th anniversary of Scouting in Haliburton.

Coboconk News

by Shiela Lake

Valentine's Day is coming up soon and if you are the kind who enjoys an evening of dancing, how about making it an evening at the Legion Hall? The Ladies Auxiliary are sponsoring a Valentine's Dance on Saturday night, February 17 at 9 p.m. Music will be supplied by Rod Bond, admission is only \$5 a couple and there are door prizes and spot prizes too.

Mrs. Jill Brown and family who operated the Gulf Gas Station in town have moved to Fenelon Falls and taken up residence there.

A familiar figure on the highway has passed from the scene. Mr. Russell Harman of Norland was well-known to many in the area and perhaps you have given him a ride, as his thumb was his only means of transportation. A harmless fellow who kept pretty much to himself, Russell was found dead near his home early in the weekend and burial service was held on Thursday afternoon, attended by very few. Our sympathy to the few relatives who survive.

Although he has been living in Toronto, Doug Jones is quite well-known here, since a lot of his weekends were spent here. He was a dear friend of Helen Bradamore, and friends of Theresa Bradamore and Marg and Vern Hannivan. His son, Mike Jones has a bookkeeping business in Lindsay. Doug passed away this week, and rested at the funeral home here for service on Sunday, February 4. Our sympathy to his loved ones.

Mr. and Mrs. Doug Cross of Balsam Lake or North Bay Drive spent last Sunday in

Toronto with her mother, Mrs. Christine Hill on the occasion of Mrs. Hill's birthday.

Mr. and Mrs. Charlie Hutchinson and son Grant and Mr. and Mrs. Bernard Lamb, all of Lindsay, were supper guests of Mrs. Mary Hutchinson and Ray on Saturday night.

The weather since New Year's hasn't been all that great. Now is the time to read that book you set aside because you were too busy before Christmas. Or work on that quilt, or afghan or catch up on your correspondence. Since this is still a fairly new year, maybe we could each do some little chore for a shut-in, visit the elderly or cheer the downhearted in the months ahead. This little verse offers food for thought.

What Have I Done Today?

I shall do so much in the years to come,

But what have I done today?

I shall give out gold in princely sum,

But what did I give today?

I shall lift the heart and dry the tear,

I shall plant a hope in the place of fear,

I shall speak with words of love and cheer,

But what have I done today?

I shall bring to each lonely life a smile,

But what have I done today?

I shall give to truth a grander birth,

And to steadfast faith a deeper worth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

I shall feed the hungry souls of earth,

Legion

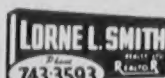

from page 9

The branch will lend some of its tables to the Eastern Star for their bazaar on carnival weekend.

A nominating committee will be appointed to approach members to stand for nomination in the up-coming elections.

The car draw chairman is at present considering vehicles for this year's carnival and will be making his choice in the near future. The branch will also be bringing the circus back to Haliburton in the early summer. This was a great success when it was here two years ago.

The branch received a very detailed and concise financial report from the Ladies Auxiliary. The LA had a very successful year in 1978 and are looking forward to even bigger and better things in 1979. The new kitchen surely makes the preparation of meals much more enjoyable. Up-coming events include the spring Zone F4 rally to be held in Sunderland this year, the District F convention being held in Cobourg in April and the Provincial Convention in Sudbury in May.

KOSHLONG LAKE: Well furnished 3 bedroom cottage with brick fireplace, plus large sleeper cabin and storage shed on 200' plus lakeshore. Easy access by road.

WEST GUILFORD: Family business for sale. Motel Restaurant, convenience store, etc. Excellent condition.

Municipality
of Dysart et al

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE MUNICIPALITY OF DYSART ET AL TO STOP UP, CLOSE AND CONVEY A PORTION OF THE Allowance for Road Between Block XI and Block XIII, in the Town Plot of the Village of Haliburton, in the Township of Dysart, in the Provisional County of Haliburton.

NOTICE IS HEREBY GIVEN, pursuant to Chap. 284, Sec. 443 of the Municipal Act as amended, that the Township Council of the Municipality of Dysart et al proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, Haliburton, Ontario on Monday, February 12, 1979, a By-Law to Close, Stop Up and Convey the following:

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Dysart, in the Provisional County of Haliburton, being composed of a portion of the Allowance for Road Between Block XI and Block XIII, in the Town Plot of the Village of Haliburton and being more particularly designated as Part 10, Part 11 and Part 12 on a Plan of Survey to be received and deposited in the Registry Office for the Registry Division of the Provisional County of Haliburton, and which Plan of Survey by D. Coggan, O.L.S. dated November 7, 1978 is available for inspection at the Municipality of Dysart et al Office at Haliburton, Ontario.

AND TAKE FURTHER NOTICE that before passing the said By-Law at its meeting to be held at the time and place above mentioned the Township Council of the Municipality of Dysart et al shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said By-Law and who applies to be heard.

DATED AT HALIBURTON, ONTARIO this 15th day of January, 1979.

Wayne B. Wood,
Clerk-Administrator,
AMCT

24. AUCTION SALES

We wish to thank The Haliburton Fire Department most sincerely for putting out the fire in our home. If it were not for the efficient manner of the fire chief and his men, there could have been a greater extent of damage. A special thanks to our neighbour, Brian Neville of Lochlin who rushed to the scene, and helped to keep the fire under control until the fire department arrived. CB/7

We wish to express our sincere thanks to our neighbours, friends and relatives for their expressions of sympathy and acts of kindness in the recent loss of a beloved mother and grandmother.

To Dr. Holliday-Rhodes and the nurses and staff of Minden Red Cross Hospital, our deep appreciation for dedicated care and concern. Our grateful thanks also to Gordon Monk, the U.C.W. and to our minister, Mr. Douglas Miller, for his visits and message of comfort.
The Fleming Family
CB/7

28. BIRTHS

Funeral Service
Rested at the Funeral Chapel of John Welch and Son Limited, Minden, for complete funeral service and committal in the Chapel on Monday, February 5, at 1:30 p.m. Spring interment Minden Cemetery.

32. IN MEMORIAM

GRAHAM, Jacob Clarke - In loving memory of a dear husband, father and grandfather who passed away February 6, 1972.

No morning dawns, no night returns
But that I think of you
Those left behind are very good
But none replaces you.
Many a silent tear is shed
When I am all alone
The one I loved so very much
The one I called my own.

Always remembered by wife Mary and family. 7

TEATRO - In memory of our loving husband and father who passed away February 9, 1978.

We'll always have our memories
You'll never be forgotten
Every day we think of you
And the things you did so often.

We miss you more dear Father
Than words will ever say
If we could have a lifetime wish
We'd wish you home to stay.

If only we could have the time
We never spent together
The day you left we didn't realize
You were going away forever.

In tears we saw you sinking
We watched you fade away
Our hearts were broken
Father
You fought so hard to stay.

When we saw you sleeping
So peacefully free from pain
We couldn't wish you back
To suffer that again.

Sadly missed by Muriel and family. 7
